

Fizztastic Gorggle Bubbles

Kaleidoscope of Colors:

- Water bottle
- Scissors
- Large rubber band
- Clean white sock
- Multicolored acrylic paints in tubes or Food coloring
- 2 tablespoons of dish soap
- 2 cups of water Funnel

A Hint of Rainbow Tint:

1. With help from an adult, cut off the wide end of your water bottle.
2. Place the clean white sock over the cut end and secure the sock with a large rubber band.
3. Using the acrylic paints or food coloring add several straight colored lines over the sock.
4. Mix 2 cups of water with 2 tablespoons of dish soap in a cup.
5. Using a funnel pour soapy mixture into water bottle spout.
6. Blow into bottle spout to create rainbow fairy bubbles.
7. Sprinkle your rainbow creations with glitter and wait for the fairies, glitter, and giggles.
8. Also try mixing 1 cup of water, food coloring and dish soap with a mixer one at a time and make your own spectacular rainbow on a flat surface.

Grab some tube socks from the dryer and join our zany Gorggle in making some super soapy sculptures!
